Mary:

I wanted to give you a heads-up that, out of an abundance of caution, we intend to serve Citibank with a copy of the same attachment order today and on other occasions in the future to ensure that any funds coming into the account are covered by the attachment. Since you are handling this matter we will serve by fax (which is permitted under the order), to your fax. Please advise if you want us to fax it to some other fax number in order to effect service.
